

2001 Illinois QSO Party

sponsored by the Radio Amateur Megacycle Society

Date/Time: 1800Z October 21 until 0200Z October 22, 2001

Bands: 160 through 2 meters, excluding 30, 17, and 12 meters. Suggested frequencies are 3550, 7050, 14050, 21050, and 28050 kHz for CW and 3890, 7290, 14290, 21390, and 28390 kHz for phone. Novices call 30 kHz above bottom end of Novice subbands for CW and 28390 kHz for phone.

Special band activity times: 10 meters 2000Z; 15 meters 2100Z; 20 meters 2200Z. Purpose is to encourage IL ops to get on the higher bands.

Exchange: IL stations give RST and county; others give RST and state, province, or country.

Scoring: Count 1 point per phone QSO, 2 points per CW QSO. No repeater QSOs. Stations may be worked once per band and mode, and once per band/mode/county for IL mobile stations. Each vehicle is considered one station and must use only one call. Contacts with/by stations at the border of 2 counties count as 2 counties and 2 QSOs; the border of 3 (or 4) counties count as 3 (or 4) counties and 3 (or 4) QSOs. IL stations multiply points by the sum of states, IL counties, VE provinces, and a maximum of 5 DXCC countries (W/K and VE included). Count additional DX as points but not multipliers. Non-IL stations multiply points by number of IL counties worked. All stations may earn one extra multiplier for every eight QSOs made with the same IL county. However, IL 2/3/4 county border stations may count only 1 QSO (not 2/3/4) per contact toward this extra multiplier. All stations may operate only one transmitter at a time.

Awards: Plaques will be awarded to the highest-scoring Illinois fixed station and mobile station. A traveling plaque sponsored by the Western Illinois Amateur Radio Club will be given for top IL Club score. Certificates will be awarded to the top 10 IL fixed stations, the top 5 IL mobile stations, the top IL county line portable station, the top QRP score, and the highest score (reporting at least 10 IL contacts) in each state, province, and country. Any out-of-state operator who makes at least 200 IL QSOs or works at least 75 IL counties will receive a food item such as honey from an Illinois farm.

Logs: Entrants must submit a log containing UTC, the call of the station worked, RST, state or province, IL county, band and mode. Please circle new multipliers as worked. IL mobiles must indicate county changes in the log. Any station with over 100 QSOs must submit a dupe sheet. (Mobile entries send dupe sheet only for counties from which you make 100 or more contacts.) A summary sheet must also be submitted with every log. Entries must be postmarked by Monday, November 19, 2001. Mail your entry to: RAMS, c/o John Matz, KB9II, 7079 West Ave., Hanover Park, IL 60103. Rules, summary sheet, and results are available at <http://www.megsinet.net/~jematz/rams.html>. You are invited to join the ILQSO email reflector at <http://www.qth.net>.

Entries may be disqualified if the rules of the Illinois QSO Party are not followed. The decision of the Illinois QSO Party Committee shall be final. Enclose a business-size SASE with your entry to receive a copy of the contest results.

2001 Illinois QSO Party Summary Sheet

Name _____ Call _____

Address _____

City _____ State _____ Zip _____

County (IL stations only) _____

IL Club Affiliation (optional) _____

Entry Class:

- Illinois Fixed
 Illinois Mobile
 Illinois County Line fixed-portable
 Outside Illinois
 QRP (5W max.)

Illinois stations: fill in this section

CW QSOs _____ x 2 = _____ points
 # Phone QSOs _____ x 1 = _____ points
 Sum of CW + Phone Points = _____ points
 # States + Provinces = _____ multipliers
 (Illinois counts as 1)
 # Illinois counties (max. 102) = _____ multipliers
 # 8-QSO counties = _____ multipliers
 # DXCC countries (max. 5) = _____ multipliers
 (W/K and VE count as 1 each)
 Total # of multipliers = _____ multipliers
 Final score (points x multipliers) = _____ points

Stations outside Illinois: fill in this section

CW QSOs _____ x 2 = _____ points
 # Phone QSOs _____ x 1 = _____ points
 Sum of CW + Phone Points = _____ points
 # Illinois counties (max. 102) = _____ multipliers
 # 8-QSO counties = _____ multipliers
 Total # of multipliers = _____ multipliers
 Final score (points x multipliers) = _____ points
